

As a reward for finishing her Masters in Nonprofit Administration (MNA) degree, Marcia got to cuddle with a koala

Her favorite Nonprofit is still the Women's Community Clinic

Steve had not been nearly as good a boy, so...

Was his reward.

While traveling in Oz, we had to fight for space on the beach

In hopes of seeing

without

In Sydney
we found
safe little
garden to
visit

But then
we had to

get help
from the 3
Sisters

to escape
from

which had
been
following
us...

Hope you had a fantastic year too! With love,
